Dear Ms. Sheffield,

**RE: 43-51 King Street East and 60 King William Street, Hamilton
Consent to Sever Application- Creation of Easements**

UrbanSolutions Planning & Land Development Consultants Inc. (UrbanSolutions) is the authorized planning consultant acting on behalf of King William Residences Inc., the owner of the lands municipally known as 43-51 King Street East and 60 King William Street; and Surveillant Society Inc., the owner of lands municipally known as 27 John Street North in the City of Hamilton. Please accept the enclosed Consent to Sever Application Form and supporting materials which facilitate the registration of two easements, as described below.

The subject properties are located in downtown Hamilton, one block east of the King Street East and James Street North intersection. 43-51 King Street East and 60 King William Street are currently under construction to facilitate the development of two 30 storey towers connected by a podium as per the approved Site Plan DA-18-016. 27 John Street North is currently occupied by Capri Ristorante Italiano. These lands are designated as 'Downtown Mixed Use – Pedestrian Focused' in the Downtown Hamilton Secondary Plan in the Urban Hamilton Official Plan and are zoned 'Downtown Prime Retail Streets (D2,626, H21) Zone' in the City of Hamilton Zoning By-law No. 05-200.

Purpose of the Application

The purpose of this Consent Application is to register two easements. The first easement (Easement No. 1) is in favour of PIN 17167-0256 (1602499 Ontario Inc.) over PIN 17167-0039 (Surveillant Society Inc.) and the second easement (Easement No. 2) is in favour of PIN 17167-0256 (1602499 Ontario Inc.) and PIN 17167-0039 (Surveillant Society Inc.) over part PIN 17167-0265 (King William Residences Inc.).

Easement	Part(s) on Strata Plan of Survey	Area	Length	Width
(1) Easement in favour of PIN 17167-0256 over PIN 17167-0039	3	3.3607 m ²	+/- 2.669 m	1.238 m

(2) Easement in favour of PIN 17167-0256 and PIN 17167-0039 over PIN 17167-0265	1 & 2	15.2791 m ²	+/- 9.901 m	+/- 1.136 m
---	-------	------------------------	-------------	-------------

The purpose of these easements is to facilitate rear yard emergency access exit for 19 and 21 John Street North. To assist in the evaluation of the application, please refer to the enclosed Committee of Adjustment Easement Sketch.

The Consent Application is in keeping with Section 53(1) of the *Planning Act*, R.S.O, 1990, as amended, as a plan of subdivision is not necessary for the proper and orderly development of the subject lands. Based on the above analysis, UrbanSolutions believes that the applications represent good land use planning and satisfy Sections 53(1) of the *Planning Act*.

In support of this application, please find enclosed the following:

- One (1) PDF of the completed Application form for Consent to Sever Land for Easement No. 1;
- One (1) PDF of the completed Application form for Consent to Sever Land for Easement No. 2;
