## **ANALYSIS AND RATIONALE FOR RECOMMENDATION(S)**

As a result of COVID-19, typical projects and events were not able to be conducted in 2020, 2021, and most of 2022.

The Committee promotes cycling safety through their very successful distribution of Share the Road car magnets and stickers, and the distribution of bicycle lights at special events, to stress the importance of improved visibility of cyclists.

Committee Members, in conjunction with community groups, promote cycling in Hamilton during events like Bike Day, Supercrawl, and other City festivals. The HCyC also proposes to grow the profile of cycling in Hamilton by promoting and hosting more cycling events across the City, like Movie Night, which was held in Corktown Park on June 4, 2022.

Historically, projects or events have typically included film screenings, bicycle rides, various campaigns and project research. Members have also served as volunteer staff for the HCyC booth at the Toronto International Bike Show, promoting Hamilton as a cycling destination. They receive and share feedback from people that cycle on

Hamilton facilities, including Hamilton residents attending the show. The Committee works with Tourism Hamilton to promote the City's recreational assets by distributing the City map "Bike Routes, Trails & Parks", pamphlets printed by the Hamilton Conservation Authority, and financially contributes to the Ontario Cycling Organization - Ontario By Bike, to provide Hamilton specific information online. Feedback received by HCyC Members ensures cycling projects are well vetted by the community, thereby, improving the quality of cycling facilities for both recreation and commuting purposes.
