2023 Budget Consultations

Dear alPHa Members,

The Government of Ontario is seeking public input on the 2023 Budget via a public online survey, an invitation for written submissions, and a series of public hearings.

Public Survey:

The government's online survey launched today (January 11th). Respondents are invited to choose their top two or three priorities from a list of options under each of nine topic areas. Please note that under the fourth item (*When you think about your community, what services or resources could use more government support?*), "Public health resources for businesses, schools and other community groups" is one of the options. There are no open-ended questions. [Click here to complete the survey.](#)

Written Submissions:

alPHa will be providing a written submission and invites input from its members (to be provided to me at loretta@alphaweb.org by January 20, 2023). We also encourage our members to provide submissions of their own, to ensure that local perspectives are considered.

Public Hearings:

alPHa has requested to appear before the Standing Committee on Economic Affairs at the Toronto session of its pre-budget consultation hearings on February 14th. We have identified speakers and are working on the deputation. Please note these hearings are already underway and we have provided a link to the news release below, which includes a few other opportunities around the province.

Please note the consultation closes on **February 10th**, notwithstanding the public hearings that occur after this date.

[Please click here for the 2023 Pre Budget Consultation page.](#)

We hope you find this information helpful.

Take Care,

Loretta
