Subject: I & R Committee

To: Jennie Hamilton

Dear Jennie:

I would like to step down from this committee. I have been with the group for over a year and found it quite ineffective. I am sure things will be better under your leadership, but I am so over-committed with other community matters that I feel I can be more productive elsewhere.

If there is anything I can do for advice related to South Asian matters, please do not hesitate to contact me.

Thank you and best wishes,

Khursheed Ahmed
