Reason(s) for delegation request

I would like to inform the Committee on the status of Hamilton's Emergency Food System. Its been a while since we have connected and so much focus has been printed and published about food banks. I believe the Committee should get first hand information on our systems based approach in response to the depth of hunger in Hamilton given the extraordinary occurrence of COVID-19, skyrocketing inflation and the expectation of looming recession at our doorstep. Thank you and look forward to confirming our delegation to the Emergency and Community Services Committee for February 2nd. Joanne Santucci , CEO Hamilton Food Share
