Reason(s) for delegation request

I understand that the City of Hamilton is concerned about "renovictions" and how these effect the affordable housing stock and tenant stability in the community. Further that it is considering legal or by law changes to address this issue that is more pressing given escalating rents and declining supply. The City is inviting community input at a meeting on April 20, 2023 and as a provincial tenant advocacy

organization ACTO would like to participate.

Will you be requesting funds from the City?

No

Will you be submitting a formal presentation?

Yes
