The Committee Against Racism (CAR) Citizen Committee report dated May 24, 2022, outlines recommendations for changes to the Hamilton Police Service Board selection process.

As per the report, the Hamilton Anti-Racism Resource Centre (HARRC) and CAR have selected 6 community members to participate on the Hamilton Police Services (HPS) Board Selection Committee.

The selection process included a review panel with representatives from the Hamilton Jewish Federation, Hamilton Muslim Association, YWCA, HARRC and CAR. After an extensive interview process, HARRC and CAR endorse names and agree with the recommendations to the HPS Board Selection Committee.

Yours sincerely,
