

City of Recognized as a 2022 Leader in Sustainability

The City of Hamilton has been named as a 2022 Leader in Sustainability by Call2Recycle Canada Inc. The Leader in Sustainability Award is granted each year to organizations that display exceptional commitment to battery recycling. The City of Hamilton collected 64,385 kilograms of household batteries through the Call2Recycle® program during 2022, making it one of the program's top-performing partners. The battery recycling program is part of the City's comprehensive waste management system to maximize waste diversion, which in turn protects the environment and our community.
