1.0 Purpose and Effect:

The purpose of this Amendment is to amend the Binbrook Village Secondary Plan to modify the boundaries of the Low Density Residential 2e, Low Density Residential 2h, Low Density Residential 3e, Neighbourhood Park, Utility and Storm Water Management designations, remove the Institutional and Parkette designations, and to revise the identification of Proposed Roads, Road Hierarchy classifications and Open Space Linkages on the subject lands. Two new Area Specific Policies will be added to allow for an increase in residential densities within certain designations on the subject lands.

The effect of this Amendment is to permit the development of a draft plan of subdivision consisting of 196 single detached dwellings, 42 semi detached dwellings, 388 street townhouse dwellings, up to 146 dwelling units in multiple dwellings, a neighbourhood park, naturalized drainage channel, stormwater management pond, new local and collector roads, and public walkways.

2.0 Location:

The lands affected by this Amendment are known municipally as 3479 Binbrook Road, in the former Township of Glanbrook.

3.0 Basis:

The basis for permitting this Amendment is:

- The proposed development maintains the general intent of the policies of the Urban Hamilton Official Plan and Binbrook Village Secondary Plan.

- The Amendment will permit a development which is integrated and compatible with the existing subdivision to the east of the subject lands and proposed subdivision to the west, allows for a variety of residential uses, and represents good planning by providing housing and recreational opportunities while respecting the natural environment and providing appropriate municipal services.
