The writer is the occupant of [Address], Ancaster, Ontario, and accordingly has received your Notice of the Council Meeting relating to the above matter.

The writer and his spouse, wish to go on record as opposing any such change in zoning for several reasons, including, the near by public school and the existing traffic problems on Fiddlers Green Road.

We believe that a multi-unit building built within the proximity of the public school and with the escalating traffic on Fiddlers Green Road is dangerous and entirely unnecessary.

Kindly accept this as our opposition to the aforesaid re-zoning.

Kindly remove any personal information revealed by this email.

Hello,

This email is in regards to the zoning of 111 to 115 Fiddler's Green Rd. The city is looking for public input in regards to the 2 storey apartment complex that might be in development.

We at XX Douglas Rd feel that the addition of a 2 storey apartment complex takes away from our privacy as the upper units would have viewing access into our backyard and other spaces. Furthermore, we feel that such a commercial-like establishment would reduce the value of our property and other surrounding properties. Finally, we feel that a modern apartment complex as such does not suit the general feel and aesthetic of this neighbourhood. Thus we are against the development of said 2 storey apartment complex.

Sincerely,

Dylan & Gabrielle
