**Subject:** Re: Proposed Tiny Home Community on Strachan Street in Hamilton

Hi there,

I would also like to draw to your attention to the map attached, indicating where the site will be located. This was reported by the CBC this week. I feel that it conveniently covers up that there's a school within visual view from the site. The entire school is omitted from the image. I do not feel like the school concerns are being publicly discussed or acknowledged.

In my opinion this is reckless.

Thanks

Nicole
