**STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST, AND  
DESCRIPTION OF HERITAGE ATTRIBUTES**

**Description of Property**

The 0.06-acre property at 3 Main Street is comprised of a two-storey brick commercial building constructed circa 1875, located near the southeast corner of Main Street and King Street in the historic downtown core of Dundas, in the City of Hamilton.

**Statement of Cultural Heritage Value or Interest**

The cultural heritage value of the property located at 3 Main Street lies in its design value as a representative example of the Second Empire architectural style in the former Town of Dundas, as demonstrated by its Mansard roof with dormer windows, polychromatic slate tiles, and central cupola, as well as its design value as a rare, unique and early example of the Renaissance Revival architectural style in the former Town of Dundas, as demonstrated by its alternating triangular and segmental pediments and moulded cornices. It is also a rare and early example of the use of the architectural use of galvanized iron for decorative exterior window hoods in Dundas. The building displays a high degree of craftsmanship in the form of its polychromatic hexagonal slate Mansard roof, galvanized ironwork, and decorative wood brackets.

The historical value of the property lies in its direct association with Britton Bath Osler (1839-1901), the original owner of the building and a prominent lawyer, most well-known for his work as a prosecuting attorney in the treason trial of Louis Riel. The historical value of the property also lies in its direct association with the Valley Lodge No. 100 A.F. & A.M., who occupied the building for nearly 150 years and whose membership included several prominent Dundas men

The contextual value of the property lies in its role in defining the historic character of the former Town of Dundas, located at the prominent corner of Main and King streets. The building is visually, physically and historically linked to its surroundings as part of the surviving mid- to late-nineteenth century commercial streetscape and the row of buildings from 2 King Street East to 15 Main Street. The building is also considered to be a local landmark, identifiable by its unique central cupola.
