Subject: Please protect our wetlands and waterways

Dear mayor and councillors,

Please note my concern about Hamiltons few remaining wetlands and waterways. Your vote at today's Planning Committee meeting is important for these last vestiges of biodiversity and natural health. To keep these pristine, I urge you to support the Municipal Protected Area Plan as a high priority; to identify unprotected wetlands and waterways, such as in the AEGD and remaining Hamilton Harbour inlets, in order to get these protected. Please also strive for Hamilton to sign the Montreal Pledge: Cities united in action for biodiversity.

Thank you.
