Subject: Tax increase

My name is Brian Murray I live [REDACTED], I object strongly to the property tax increase in Hamilton ...last year 6% this year 10-14 %that's 20 percent in two years I'm am a pensioner living on a fixed income .That means in 5 years we would be facing A 100% increase ...this is madnessThis is not why we elect people to put us out on the street !You must find areas to cutthe first I suggest is the farcical elevated tram ..This is an unjust increase with no fair reason.....Signed Mr and Mrs Murray
