Reason(s) for delegation request

I would like to request to be a delegate for the next meeting on the General Issues Committee to share more about my experience on Unconscious Bias and EDI and how as a resident it is hard to navigate the city of Hamilton to address these matters to management. Areas of concerns include - Timelines of what is being done, SLA or ETA on what action plans are being done by management, and what support services that the City can provide residents who are faced with Unconscious Bias and how it is impacting their mental health.

Will you be requesting funds from the City?
No

Will you be submitting a formal presentation?
