I am the owner and occupant of [REDACTED] I live there with my wife and three young children. The house immediately neighbouring mine to the west is 66/68 Charlton Ave. West, which is both designated and abandoned.

On December 14, 2023, I brought to the attention of Heritage the accumulation of debris in the alley between 66/68 and my house. Our houses are separated by no more than a few feet. Heritage forwarded my complaint to Municipal Licensing and Enforcement ("MLE"). MLE ignored both Heritage's email and my follow up email. The situation next door is deteriorating: homeless persons are openly using drugs there, cooking with fire, and leaving behind them a tremendous amount of debris.

This is not the first time these conditions have been left to deteriorate next door. MLE seems unable or unwilling to enforce the City's bylaws, imperilling both this designated building and my and my family's own safety.

Will you be requesting funds from the City?

No

Will you be submitting a formal presentation?

No
