Subject: FCM Resolution Update: Immediate Federal Government Support Required for Asylum Claimants in Municipalities - Category A Concurrence

Dear Angela,

Thank you for your resolution submission to FCM about **Immediate Federal Government Support Required for Asylum Claimants in Municipalities**. We understand that this issue is an important concern to your community and we appreciate you bringing it to the attention of FCM.

At the latest board meeting in March 2024, the FCM Board of Directors considered the resolution and adopted it as Category A – Concurrence. This category contains resolutions not addressed by FCM in the last three years that are the direct responsibility or concern of Canadian municipalities beyond a regional level and falls within the jurisdiction of the federal government. As this resolution has been adopted with concurrence, it will guide future FCM policy positions. More details on FCM's resolution procedures can be found [here](#).

In support of this adopted resolution, a letter will be sent to the relevant federal government minister outlining the call for action directed at the federal government contained in the resolution. We will forward you a copy of the letter sent to the minister shortly.

FCM looks forward to continue working with you and your community in representing the municipal voice at the federal level. If you or your staff have any questions or require further information, please contact resolutions@fcm.ca.
