RE: APPLICABLE LAW REVIEW – ZONING BYLAW COMPLIANCE REVIEW
PRESENT ZONING: D/S-1822 (HAMILTON ZONING BY-LAW 6593)
ADDRESS: 575 WILSON STREET, HAMILTON

An Applicable Law Review respecting zoning bylaw compliance has been completed and the following comments are provided.

COMMENTS:

1. The applicant is proposing to sever the existing property into five (5) separate lots and construct a two (2) family dwelling on each of the proposed lots.
2. This property is currently zoned 'D/S-1822' of Hamilton Zoning By-law 6593.
3. Please be advised that the use of a two (2) family dwelling or a Single Family Dwelling with a Secondary Dwelling Unit are both permitted uses in the current zoning designation.

The following review is based on a use of Single Family Dwelling each containing one (1) Secondary Dwelling Unit.

4. It has been indicated that the applicant/owner is currently in the process of obtaining/finalizing the severance application which is necessary to create each of the five (5) proposed lots.

There is insufficient information available at this time to confirm the current status of the severance application(s).

5. The City of Hamilton is continuing to develop Hamilton Zoning By-law 05-200 which encompasses the former City of Hamilton and the five (5) outlining municipalities. Please be advised that the next phase is the Residential Zones Project which will include Low Density Residential Zones. The subject property may be impacted by upcoming changes which was heard at the Planning Committee meeting of February 23, 2024.

As of today's date, this by-law has not yet been brought forward to city council.

Please visit <https://www.hamilton.ca/build-invest-grow/planning-development/zoning/residential-zones-project> or email rezoning@hamilton.ca for further information.

6. The proposed development has been reviewed and compared to the standards of the current D/S-1833 district as indicated in the following chart:
