Encampment are a terrible scene. Needles in splash pads? Naked people? This council has to stop this insanity. We are taxpayers, voters etc.

ENOUGH

This situation is a traffic nuisance, accident waiting to happen. Irregardless to this and Encampment areas being lifted. Seems everyone is doing whatever they want. Elected officials need to account to taxpayers. Yes there have always been people without housing but this is beyond and at the worst.

DO something now. Protect all. We the taxpayers need support.
