

<p>A-24:181 317 Queenston Road, Hamilton (Ward 4)</p>	<p>Staff should recommend these adjustments as the request is minor in nature.</p> <p>I would recommend staff review priorities of city council, namely reviewing decisions under the lens of a climate change emergency and the declaration of a homelessness, opioid addiction and mental health. Denying infill housing supply can put upward pressure on housing prices, pushing more Hamilton residents into homelessness and impact their mental health. Infill housing is more sustainable and residents are less likely to use climate intensive modes of transportation as often. Denying infill housing supply can put upward pressure on emissions impacting the climate. The adjustment requested here has a positive impact on multiple emergency declarations and no negative impacts on other emergency declarations.</p>
