Reason(s) for delegation request

I would like the city to add the pride bench design that was developed with Parks and installed in Joe Sams, to the commemorative benches that can be purchased from the city in memoriam. I want this to be known as the Chris Owens Memorial Process, in memory of the person to whom the first bench is dedicated.

The hope is families can choose this bench that may better represent their loved one, as a standardized design without issue.

Will you be requesting funds from the City?
No

Will you be submitting a formal presentation?
No
