Hello,

Thank you for sending Enbridge notice of this project. B&A is the land use planning consultant for Enbridge's Liquid Pipeline Network across Canada. On behalf of Enbridge, we work with municipalities and stakeholders regarding planning and development in proximity to their liquid pipeline infrastructure to ensure that it occurs in a safe and successful manner.

We would like to remind you to always obtain a locate request to identify the precise location of underground infrastructure. In addition, if any future planning or development work is proposed within 220 metres of Enbridge infrastructure, we request that this information be sent to notifications@enbridge.com for our review and comment.

Do not hesitate to contact me with any questions or comments. We appreciate receiving your notifications and look forward to continuing to receive them at notifications@enbridge.com for our review and comment.

Thank you,
-Kevin Bailey

Good evening,

I, Peter Dmitrovich, am submitting the minutes from the previous hearing for review, or for any new committee members that do not recall this prior application. It was held in 2021, and denied, and is almost identical to the request being put forth in this application, which is to be presented on October 8th, 2024 at 1:20pm. Since the circumstances surrounding the proposal in this application have not changed, I am of the same opinion and have the same concerns as I had back in 2021 and am opposed to the changes being proposed. I look forward to the opportunity to express my concerns virtually and answer any questions that you may have. [Screen_Recording_20240930_204621_Chrome.zip](#)
