Reason(s) for delegation request

Awareness/education/request regarding the effects of Fluoride on the Immune Compromised & unborn/young/elderly. I've sent a very brief butchered 4:30 sec. audio to Jessica as well as a pdf "report" style with information that (I believe) some Councilors would be interested in as they were voicing concerns regarding fluoride back in 2014. I prefer to not appear in person or virtually.

Will you be requesting funds from the City?

No

Will you be submitting a formal presentation?

Yes
