

Hello City Councillors and City Staff,

My name is MERVYN STURLAND and I am a member of ACORN's downtown chapter and a tenant in Ward 2.

I am writing to call on the Planning Committee to implement a strong Rental Housing Protection Bylaw that protects tenants against demovcition!

I live in a building on [REDACTED] In 2021, we were told our part of the building was being demolished. Nothing has happened since then and there have been no updates on what will happen to tenants in the building, many of whom are low-income and vulnerable.

I HAVE LIVED HERE FOR 17 YEARS & MY
ACCOUNTS HAVE ALWAYS BEEN IN GOOD
STANDING

SINCE THE DEMOLITION WAS ANNOUNCED

THE MANAGEMENT HAS USED SEVERAL UNDERHAND(ED)

TRICKS TO HAVE TENANTS REMOVED:

1. MAKING IT DIFFICULT TO PAY RENT
BY NOT HAVING A SUPERINTENDANT
ON SITE

(2) REPORTING RENT NOT BEING PAID
WHEN IT WAS

Thank you for your time.
