

Hello City Councillors and City Staff,

My name is Rebecca Thomas and I am a member of ACORN's downtown chapter and a tenant in Ward 2.

I am writing to call on the Planning Committee to implement a strong Rental Housing Protection Bylaw that protects tenants against demovcition!

I live in a building on [REDACTED] In 2021, we were told our part of the building was being demolished. Nothing has happened since then and there have been no updates on what will happen to tenants in the building, many of whom are low-income and vulnerable.

There are so many problems in the building like the units getting too hot, and they could maintain the garbage area better. When I moved into my apartment so many things were broken and they rented it to me that way, I did so many repairs myself and I painted it myself.

Thank you for your time,

Rebecca Thomas
