Subject: ADU support

External Email: Use caution with links and attachments

As a resident in Ward 13, with Alex Wilson as my counselor, I am writing in firm support of ADUs in the city of Hamilton and in rural built up areas.

ADUs serve a multitude of purposes:

they increase availability of rental housing;

they increase density within the existing urban boundaries, thereby reducing the demand to expand into rural areas;

they rely on existing infrastructure such as water/sewer systems, transit, parks and recreation, existing commercial establishments;

they can enable seniors to age in place with the supports of family at hand.

To disallow ADUs is a step in the wrong direction and simply responds to "NIMBYism".

Sincerely,

Jean Jacobs
