Subject: Additional Dwelling Units

My name is Laurie Galer. I live in [REDACTED], ward 15

I am urging you to continue to allow ADUs. At a time when affordable housing is extremely important, it seems crazy not to allow ADUs. Also, infill housing not only is affordable and makes good use of urban spaces, it helps prevent building on farmland and natural spaces. Plus putting residents within urban areas makes sense in terms of access to essential services, meaning fewer cars needed.

Please do NOT support cancelling Additional Dwelling Units
