Subject: ADU motion

External Email: Use caution with links and attachments

I live in Ward 13. I am writing to ask all councillors to defeat Councillor Danko's motion that could mean that two storey ADUs could no longer be built.

The City of Hamilton needs to do everything possible to increase housing density and to support ways to provide inexpensive housing. Adding an extra storey on an ADU seems like a sensible way to do this.

Thanks for reading this email and giving it your thoughtful attention.
