Dear Councillors,

We are writing to voice our support for two-storey ADU's.

This is one of the ways we can stop urban sprawl, enable extended families to support each other, help people become or remain homeowners, support aging parents since we know care and support for seniors is woefully underfunded by this Ontario government.

Our climate crisis has to be taken seriously and that is not done by bulldozing farmland and wetlands to build the wrong kind of housing.

ADU's are a way of life in many cities worldwide and it can be done here too!

Sincerely,

Chris and Theresa Cardey
