Subject: Planning Committee & Additional Dwelling Units (ADUs)

I live in Ward 1 and am writing to you today in support of Additional Dwelling Units, such as 2-storey laneway suites and granny flats, in Hamilton.

As the city well recognizes, we can no longer afford a model of sprawling housing, with its associated infrastructure costs. ADUs represent an innovative, affordable option for gently increasing density within the current urban boundary.

I encourage Members of the Planning Committee & Hamilton Council to support this option.
