Subject: Re: ADU lane way housing and in-law suites

I am in Ward 3 and I believe that ADU's and in-law suites are a fantastic way to add affordable housing to the city. I have two kids who will never be able to afford to buy a home in today's economy and this would be a great way to help them and others like them to get a foot into the housing market. This is a much better solution than taking away our precious farmland. Once that is gone you can never get it back.
