Subject: 2 Storey laneway houses are needed

To council,

Two storey laneway dwelling units are an essential part of sustainable urban development. I am appalled by Councilor Danko's motion to eliminate this appropriate and gentle form of urban infill development. For the sake of our children and grandchildren, we cannot expand the urban boundary and must bring moral vision and leadership to the work of ensuring affordable and sustainable housing. I call on the Mayor and all members of council to vote against Councilor Danko's motion.

Sincerely,

Rae Bates
