Good morning,

As a resident of Ward 13 in Hamilton, I'm writing to express my support for allowing ADUs of 2 storeys to help add housing within existing neighbourhoods. ADUs are an efficient and affordable way to add housing. They can provide affordable options for tenants, make owning a home more affordable by bringing in rental income, and are more affordable and efficient for cities than sprawl as they make use of existing infrastructure, not demanding that new infrastructure be built and maintained for decades to come.

Thanks for your attention,  
Mary Anne Peters
