Subject: Dec 3Planning Committee Meeting; concerns motion clr Danko on ADUs

External Email: Use caution with links and attachments

Hello,

This concerns the Planning Committee meeting of December 3. I would urge all counsellors to vote against counsellor Danko's motion to end ADUs (additional dwelling units / 2storey laneway homes). These relatively affordable small are relieving the difficulties finnding a home for single people, people from the lower income group, young people entering the housing market as well as seniors. The ADUs have an effect on increasing the availability of rental units. Also, it increases intensification thereby helping to make further sprawl unnecessary. Because the present urban boundary extension as mandated by the provincial government will not be the end: unless sprawl is stopped, it will go on forever. All of you are familiar with the issues related to urban sprawl by now so, I don't have to explain the ins and outs here.

Please vote against counsellor Danko motion!

Thank you Jan Willem Jansen Ward 13
