Subject: Please Approve 2-Storey ADUs

I'm a resident of Ward 3 and I support the construction of 2 storey ADUs.

ADUs address multiple issues - housing affordability, increased rental stock, and limiting urban sprawl through densification. This provides cost savings to the residents of Hamilton through lower housing costs as well as to the City as infrastructure construction & maintenance (e.g. water, sewer) will not be required if sprawl is limited.
