Subject: Ward 1 resident supporting ADUs for the city of Hamilton

Hello Hamilton City Government,

I continue to support ADUs being built within the urban areas of the City of Hamilton. I have not changed my mind. I do not support and have never supported building new subdivisions and highways in rural or agricultural areas. I object to being given very little notice that I need to repeat myself about my support of ADUs. One guy/councillor gets to derail an entire community's decision around density in urban areas and we all need to repeat our support for ADUs? Yep only in Hamilton. This email is late. I hope it will still be counted and considered.

Thanks,

Suzanne Sulikowski
