Subject: Christian heritage month

Dear Esther

Thankyou so much for taking this initiative to declare December as Christian heritage Month.

I have often thought how unfair it is that every other cause gets recognized and bemoaned the fact instead of being given positive recognition, it is more commonly either ignored or ridiculed.

I praise GOD for giving you this inspiration to put our Christian faith in a positive light and December is the absolutely the perfect time to highlight the foundation of our Christian heritage and the actual basis of our Constitution..

I will join with many others in praying to get this approved and that it might be copied by other cities and eventually become a provincial and even a federal recognition of the true reason for this wonderful season.

God bless you as He has raised you up, like the biblical Esther for such a time as this

Sincerely and gratefully yours,
Virginia Wilkins
