STATEMENT OF CULTURAL HERITAGE VALUE OR INTEREST AND DESCRIPTION OF HERITAGE ATTRIBUTES

Description of Property

The 0.1-hectare property municipally addressed as 2251 Rymal Road East, Stoney Creek, is comprised of a one-storey brick building constructed as a place of worship in 1881, formerly known as the Elfrida United Church. It is located on the north side of Rymal Road East, between Swayze Road and the Upper Centennial Parkway, in the historic settlement area of Elfrida in the former Township of Saltfleet, in the community of Stoney Creek in the City of Hamilton.

Statement of Cultural Heritage Interest or Value

The one-storey brick building, formerly known as the Elfrida United Church, was constructed in 1881, in the place of an earlier church constructed in 1858. The property has design or physical value as it is a representative example of the Gothic Revival style of architecture as applied to a place of worship. The property also displays a high degree of craftsmanship through the decorative brackets and tracery, the stone hood-moulds on the windows and the multi-coloured stained glass windows.

The property has historical value as it was one of the earliest places of worship in Saltfleet Township and is associated with the theme of the nineteenth-century development in Saltfleet. Originally built as a Methodist church and joining the United Church of Canada in 1925, this former place of worship served the historic settlement area of Elfrida until its closure in 1991 and conversion into a restaurant.

Contextually, this property is important in defining the former historic rural character of the area. It is historically linked to its surroundings, located on the historic Rymal Road transportation corridor and being the only remaining non-residential nineteenth-century building from the historic settlement area of Elfrida. Located close to the public right-of-way, it is a highly visible structure, juxtaposed against the surrounding modern commercial development, making it a local landmark.
