## About Hamilton

The City of Hamilton is the fifth-largest municipality in Ontario and the tenth-largest municipality in Canada. As a global city, Hamilton boasts a renowned education sector as well as a thriving arts scene. Industries in Hamilton include manufacturing, bioscience and medical, and agriculture. Our vision is to be the best place to raise a child and age successfully. Our mission is to provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner.

With the 2016-2025 Strategic Plan always in our focus, and with Council's support, the Senior Leadership Team is committed to using performance measurement, continuous improvement methods, digital strategies and increased business acumen to accomplish our goals.

While each of our 15 Wards and six amalgamated communities are unique in landscape, needs and community focus; the commonality that over 500,000 residents share is the pride they feel when calling Hamilton home. To learn more, visit [hamilton.ca](http://hamilton.ca).

## BMA Study

Since 2000, BMA Management Consulting Inc. has annually completed a municipal comparative study on behalf of participating Ontario municipalities.

The study identifies both key quantifiable indicators and selective environmental factors that should be considered as part of a comprehensive evaluation of a local municipality's financial condition. Use of the study over a number of years provides trends to allow decision makers to monitor selected indicators over time. Trend analysis helps to provide interpretative context. In addition, context can be provided by comparing a municipality's own experience with the experience of other municipalities.

### 2023 Socio-Economic and Tax Affordability Findings:

**Socio-Economic Factors** - Socio-economic indicators describe and quantify a municipality's wealth and economic conditions and provide insight into a municipality's collective ability to generate revenue relative to the municipality's demand for public services. An evaluation of socio-economic factors contributes to the development of sound financial policies.

2023 Property Taxes and Water/Wastewater Costs as a % of Income provides a comparison of the availability of gross household income to fund municipal services on a typical household. This provides a measure of affordability within each community.

## 2016 – 2025 STRATEGIC PLAN

All public and private sector organizations use strategic plans as blueprints for priority actions to guide decision makers to achieve the desired outcomes identified by their stakeholders.

The 2016 - 2025 Strategic Plan was informed by Council, the community, City of Hamilton leadership and employees, and incorporated more than 3,200 staff conversations and nearly 55,000 resident conversations that took place as part of the Our Future Hamilton: Communities in Conversation initiative (2015), that asked one simple question: “What is your vision for the future of Hamilton?”.

The 2016 - 2025 Strategic Plan is a 10-year plan and includes:

- Our Vision - what we aspire to be
- Our Mission - we exist as an organization
- Our Culture - how we conduct ourselves (our values)
- Seven Strategic Plan Priorities that provide guidance on broad desired outcomes for all City Services

### **OUR VISION:**

The City’s vision “To be the best place to raise a child and age successfully” reflects the kind of city Hamiltonians want to aspire to become. It means having an inclusive community, actively engaged in making Hamilton a better place for everyone. It is creating an accessible environment, supporting residents through all of life’s stages, and one that encourages positive development of children as they grow towards becoming healthy adults and seniors.

### **OUR MISSION AND OUR CULTURE:**

The City’s mission, “To provide high quality cost conscious public services that contribute to a healthy, safe and prosperous community, in a sustainable manner”, provides the context for the delivery of City services across all our priorities. Our culture guides the conduct, behaviours and actions to which we hold each other accountable.

An organization's culture greatly impacts its performance and reputation. It reflects the City’s values, drives high performance, and engenders the trust and confidence of our citizens. Our culture was developed by a cross-section of employees with diverse backgrounds and

experiences, from front-line to senior management, and was endorsed by City Council through its adoption into the Strategic Plan. The culture revolves around five pillars:

**Collective Ownership** - We cooperate and collaborate; we support teamwork and breaking down silos. We build relationships across departments and divisions to achieve our objectives and bring the ideas of others forward. Each and all of us understand that what we do affects the work of others and the results we achieve. We are one City with one vision and one mission, serving our citizens and stakeholders.

**Steadfast Integrity** - We build trust and demonstrate integrity in our work. We are direct and truthful individuals, accountable for doing what is right. We can be trusted to perform in an accountable and respectful manner.

**Courageous Change** - We embrace innovation, creativity and risk taking. We support, discuss and proceed with innovative ideas and actions to continuously improve our service delivery. We make evidence-based recommendations.

**Sensational Service** - We are passionate about customer service and service delivery excellence. We take a citizen-centred approach to providing exceptional service in a timely and responsive manner. We communicate in an open and transparent manner, especially when mistakes occur. We take pride in our work as public servants, serving our community. Performance measurement is a cornerstone to our service delivery.

**Engaged and Empowered Employees** - We invest in our employees, support and empower them to improve performance and be accountable for results. We communicate clear purpose and direction, build relationships through ongoing communication, regularly invite input and feedback, and treat employees equitably. We create a work environment where there is continual development, respect and recognition. Our employees are trusted, inspired to do their best work, and would not hesitate to recommend the City of Hamilton as a great place to work.

## STRATEGIC PLAN PRIORITIES:

### Priority 1: Community Engagement & Participation

Hamilton has an open, transparent and accessible approach to City government that engages with and empowers all citizens to be involved in their community.

# Strategic Plan and Council Priorities

---

## **Priority 2: Economic Prosperity & Growth**

Hamilton has a prosperous and diverse local economy where people have opportunities to grow and develop.

## **Priority 3: Healthy & Safe Communities**

Hamilton is a safe and supportive city where people are active, healthy, and have a high quality of life.

## **Priority 4: Clean & Green**

Hamilton is environmentally sustainable with a healthy balance of natural and urban spaces.

## **Priority 5: Built Environment & Infrastructure**

Hamilton is supported by state-of-the-art infrastructure, transportation options, buildings and public spaces that create a dynamic City.

## **Priority 6: Culture & Diversity**

Hamilton is a thriving, vibrant place for arts, culture, and heritage where diversity and inclusivity are embraced and celebrated.

## **Priority 7: Our People & Performance**

Hamiltonians have a high level of trust and confidence in their City government.

## **2022 – 2026 COUNCIL PRIORITIES**

At the start of each new Council term, Council confirms the City's goals and objectives, and identifies key priorities for the term. Specific projects, initiatives and actions have been identified to achieve Council's objectives and move the strategic plan forward. The 2022 - 2026 Council Priorities were developed to reflect Hamilton's most pressing needs and biggest opportunities, and in support of our vision to be the best place to raise a child and age successfully. They are designed to guide the decisions of Council and City staff and allow for the prioritization of resources and the clear and transparent progression towards achievable goals and measures of success. All these priorities were used to guide the 2024 budget process and will be applied with an equity and accessibility lens, ensuring their maximum benefit for the people of Hamilton.

There are 11 outcomes across the three priorities with supporting measures of success.

# Strategic Plan and Council Priorities

## Priority 1: Sustainable Economic & Ecological Development

Great cities need strong, resilient economies, and Hamilton's commitment to being a sustainable global city is part of its competitive advantage. ## Planning and Economic Development

### Description:

Planning and Economic Development (PED) contributes to the City of Hamilton's vision to be the best place to raise a child and age successfully. Together with its partners, the department brings this vision to life through effective planning for existing and future communities, processing of development applications, support for new and existing businesses, delivery of major infrastructure and development projects, support for the city's heritage, culture and arts, and ensuring the health, safety and well-being of the public through compliance with municipal by-laws.

## Transportation Planning and Parking

### Description:

The Division is responsible for ensuring that people's day to day travel choices are safe, convenient and reliable, and over time, help the City become more sustainable. Transportation planning and parking are closely linked to land use planning, healthy communities, environmental sustainability, and affordability. Increasingly technology is influencing the range of travel and parking options available and how people pay for them. Transportation Planning and Parking is tasked with predicting the future and assessing how our infrastructure will be planned, designed and operated to maximize economic prosperity and manage lifecycle costs.

## Building

### Description:

The Division's primary roles are issuing building permits and performing related inspections to enforce the Ontario Building Code Act and its corresponding regulation, the Ontario Building Code (OBC). The OBC is essentially a set of minimum provisions regarding the safety of buildings with reference to public health, fire protection, accessibility and structural sufficiency. Enforcement of this regulation ensures buildings are safe to live, work and play in. As well as reviewing Planning and Building Applications for compliance with the six area zoning bylaws. Zoning By-laws establish land use and dimensional limitations on properties e.g. height, location, coverage etc. The Division accomplishes this by developing and implementing building and zoning related policies, regulations and services that support and enhance the sustainability, growth and prosperity of the City.

## Healthy and Safe Communities

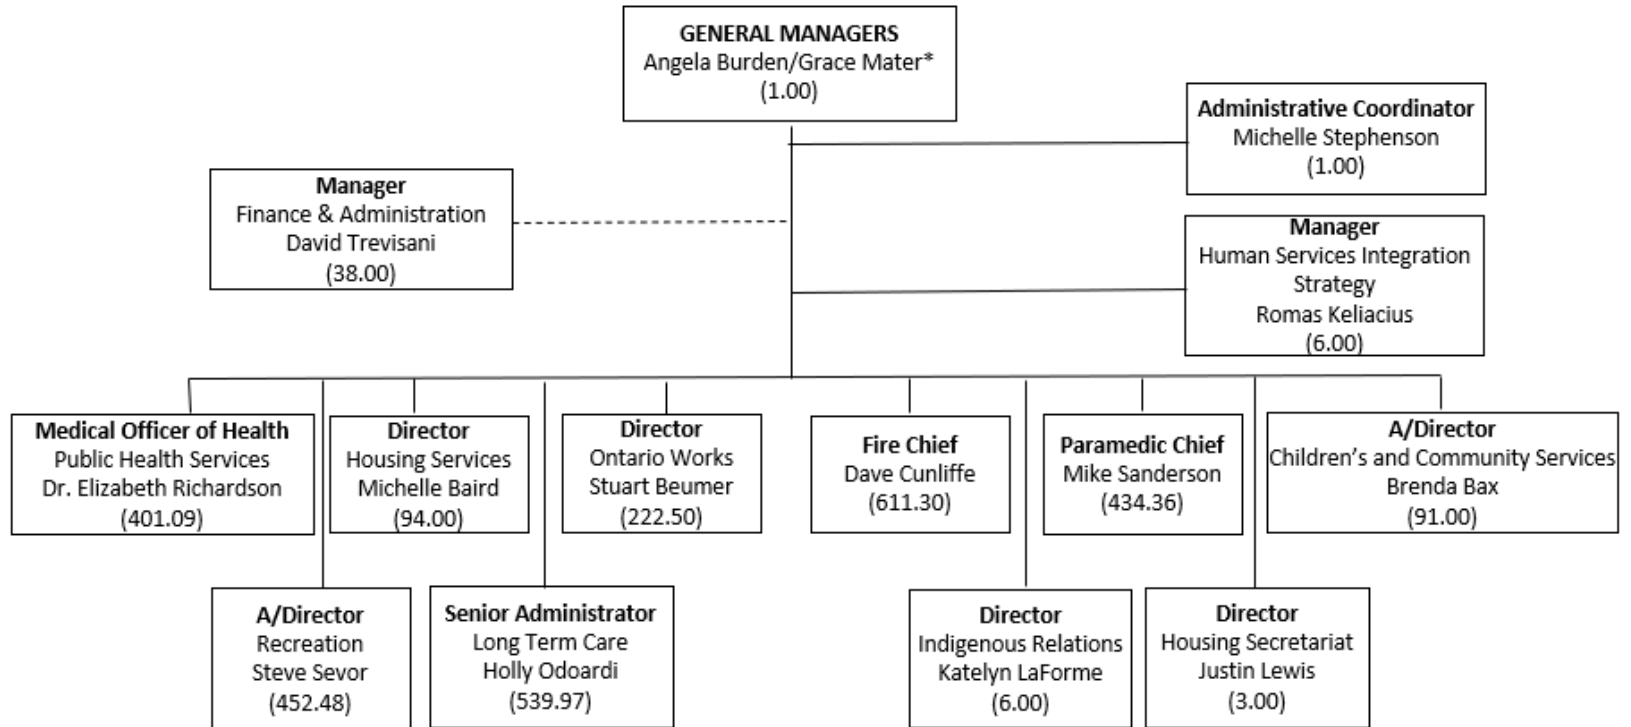

### Description:

Healthy and Safe Communities Department contributes towards the City of Hamilton's vision to be the best place to raise a child and age successfully. Together with its partners, the department brings this vision to life by creating a city where people of all ages, backgrounds, cultures and income levels have the opportunity to succeed. Enhancing the quality of life for Hamiltonians requires building a diverse and inclusive city, connecting people and neighbourhoods, assuring accessible and affordable housing, achieving health through safe and healthy environments and ensuring public safety.

The department delivers a broad array of social, recreation and leisure programs that promote active lifestyles, wellness, inclusive communities and vibrant neighbourhoods. It ensures citizens have access to public health programs they need from monitoring the city for communicable diseases, to developing services for local families of all stages during their children's development and working to ensure the safety of the food we eat, the water we drink and the air we breathe. In addition, the department promotes and protects public safety through education programs and services, the deployment of paramedic medical services, fire protection/rescue services and emergency management.

## Housing Services

### Description:

The Division provides leadership and administration funding, oversees standards, and builds capacity in the community to ensure everyone has a home. This is done through providing affordable housing options across the continuum of housing needs, from shelters, transitional and supportive housing to rent-geared-to-income, affordable rental and affordable homeownership that is funded by all levels of government. Meeting the unique and complex housing needs of our community is informed by Council approved priorities in the 10-year Housing and Homelessness Action Plan, as well as provincial and federal programs and legislation.

## Housing Secretariat

### Description:

The newly formed Division of the City of Hamilton embraces a “Whole of Hamilton” approach to identify and facilitate housing solutions that result in safe, affordable, rental and ownership housing for lower-income residents. Creating affordable housing is one of the City of Hamilton’s key priorities and is clearly outlined in the Housing Sustainability & Investment Roadmap (HSIR). City Council established the Housing Secretariat through the adoption of the HSIR in April 2023. The Office reports to the General Manager, Healthy & Safe Communities with a mandate to work effectively with housing stakeholders.

## Public Health Services

### Description:

The Division contributes towards the City of Hamilton's vision to be the best place to raise a child and age successfully by offering a wide range of services and supports related to health promotion, health protection, and injury and disease prevention to enhance the health and well-being of the Hamilton population. Our services span from monitoring for communicable diseases to developing programs and services for local families of all ages and stages to working with community partners to ensure that residents have access to safe food, water, and air. Public Health Services plays an important role in the community by providing all people in Hamilton, especially those of equity-deserving communities, with support to build resilience and achieve health through safe and healthy environments. Public Health Services is committed to addressing health inequities in the community, engaging with priority populations to inform accessible, culturally safe services, and working in allyship with Indigenous communities to uphold their inherent rights. Through leadership, evidence, performance measures, innovative practices, and technology, this division will continue to be a catalyst in the formation of healthy public policy, provision of preventive services, and advocating for healthy environments through courage, innovation, and collaboration.

## Public Works

### Description:

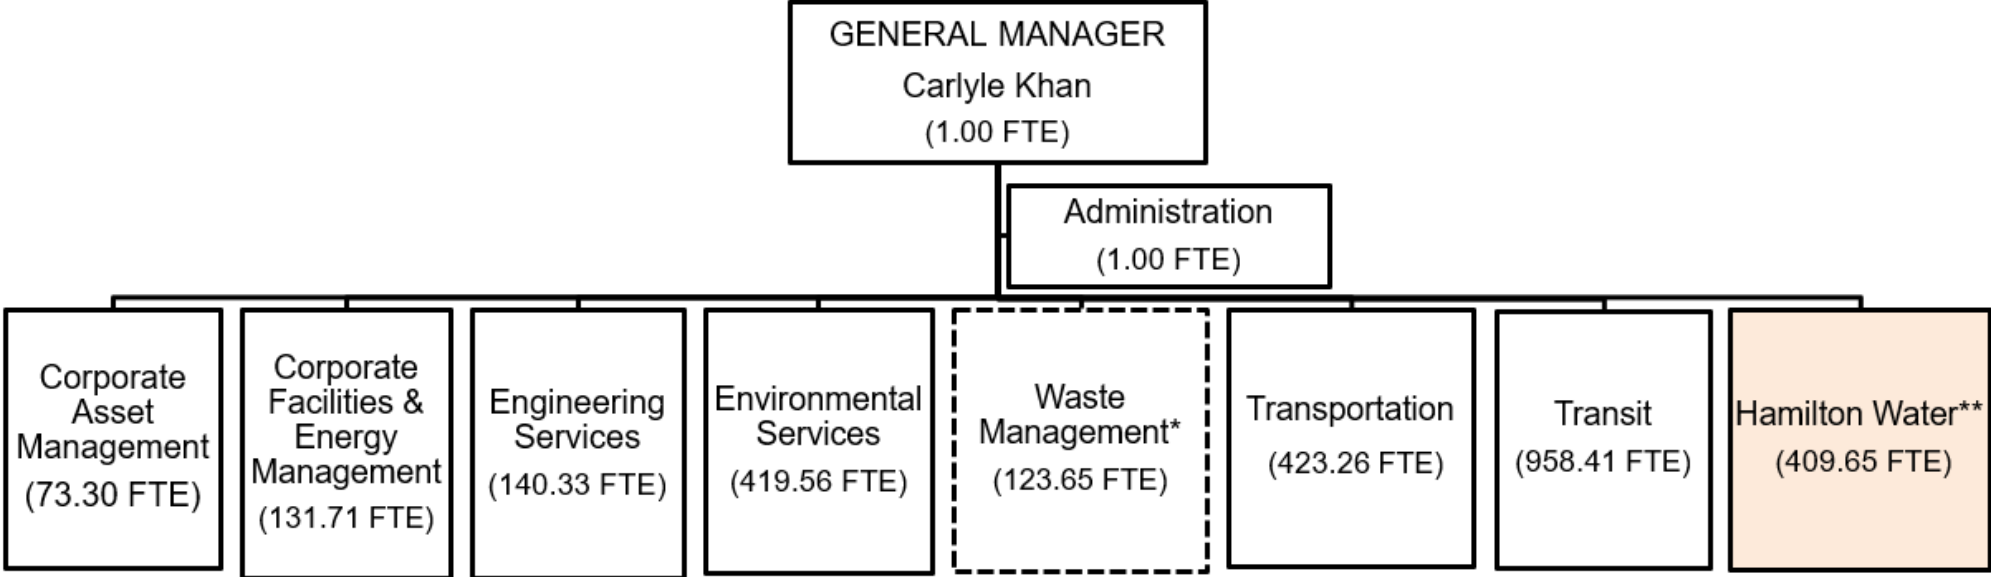

Public Works contribute towards the City of Hamilton's vision to be the best place to raise a child and age successfully. Together with its partners, the department brings this vision to life, whether it's moving people or goods comfortably and predictably along our roads, ensuring they are clear and in good repair, making our drinking water safe and reliable, keeping waste out of our environment and recovering resources for sustainability. Public Works provides services that are central to the lives of Hamiltonians.

Quality of life is further enhanced through the development and maintenance of beautiful public parks, trails, cemeteries, golf courses and open spaces, as well as providing facilities that enable fitness and entertainment for citizens to enjoy.

To ensure that this is possible for all citizens now and in the future, the department plans, rehabilitates and replaces our built infrastructure efficiently and in a timely way whenever needed. In addition to the built environment and infrastructure, many people work behind the scenes to provide high value internal services for the entire corporation; from caring for the City's vehicles and equipment, to planning and implementing energy and environmental initiatives in order to help the City achieve its energy efficiency targets and improve air quality.

## Transit

### Description:

The Division strives to provide customer-focused experience that is safe, reliable, inclusive and accessible to all users of the City of Hamilton's public transit services. The Division achieves this by providing a customer experience that meets or exceeds their expectations, by maintaining the service and infrastructure in a state of good repair, and by having a vision to accommodate future needs. Transit will continue building a reputation that leads people to choose transit first.

## Transportation

### Description:

The Division operates, maintains and oversees the movement of people and goods throughout Hamilton’s road network; incorporating a Vision Zero Road Safety lens and Complete Streets approach. Hamilton’s right-of-way infrastructure is approximately 6,522.13 lane kms of roadway and 414 kms of bike lanes. As the asset owner of the road network, the Division oversees and maintains everything within the City’s road right-of-way; signage, pavement markings, signals, streetlighting, pedestrian crossings, roadway operations including preventative maintenance techniques, potholes, maintenance of culverts, sidewalks, winter and summer operations. The Transportation Division is committed to advancing roadway safety with a multidisciplinary and equity approach for all road users; motorists, pedestrians, and cyclists within the City of Hamilton and achieving vision zero.

## Office of the Auditor General

### Description:

The Division performs value for money audits of City programs and functions. It also investigates matters brought forward by members of Council, staff and citizens that involve potential wrongdoing, fraud or waste. These audits and investigations provide insights and recommendations on how to improve City operations and they bring transparency to the public. The Auditor General function assists members of Council in holding itself and its administrators accountable for the quality of stewardship over public funds and the achievement of value for money in municipal operations.

## Government and Community Relations

### Description:

The Division supports transparency, trust, and confidence in City government through initiatives that support meaningful engagement opportunities and increased public participation in shaping decision-making processes that impact residents and their community. Through this work, the Division builds collaborative relationships with internal and external partners to support key City strategies such as the City's 25-year Community Vision (Our Future Hamilton) and Term of Council priorities (2022-2026). The Division is responsible for convening collaborative opportunities for productive dialogue amongst equity deserving groups, community organizations, businesses and other local institutions, with the goal of building a welcoming City together. The Division also oversees the government relations strategy for the City, developing key priority areas that can be used in our advocacy efforts on behalf of the City, Mayor & Members of Council in the lead up to provincial and federal elections. In doing this, we emphasize grant readiness and investment opportunities, with the goal of establishing and maintaining a strong, open, pro-active and transparent relationship between the City and its provincial, federal, municipal, and advocacy partners. The Division supports on-going participation in the Ontario Big City Mayor's Caucus, the Association of Municipalities of Ontario Conference, the Rural Ontario Municipalities Association Conference and the Federation of Canadian Municipalities Conference.

## Office of the City Clerk

### Description:

The Division delivers transparent, impartial and accessible services to Council, the corporation and our citizens. It is organized into three business units, Legislative Services, Election/ Print and Mail Services, and Records/Information Management Services. The Division provides services under various responsibilities legislated through provincial Acts, striving to build public trust and confidence in local government. These services include, secretariat support to Council and its committees and various boards, conducting municipal and school board elections, managing Freedom of Information requests, administration of vital statistics on behalf of the province, and management of the organization's records and lobbyist registry. In addition to providing legislative, electoral and administrative services, the Office of the City Clerk also provides an internal business support to the corporation by offering distribution and collection of mail, internal courier services between facilities, along with printing and imaging services.

## Procurement

### Description:

The Division plays a key role in ensuring that Hamilton’s procurement functions meet the current and future needs of the corporation, in a fair and transparent manner, and managed in accordance with legislated and contractual requirements. The Division delivers a wide range of services that contribute to the overall success of the City, including the administration of the Procurement Policy. It advises on the practicability of specifications and appropriate acquisition methods for the procurement of goods and services; it prepares, issues and administers competitive procurement processes and ensures that they are carried out both ethically and professionally at all times. The Division also provides assistance with respect to contract management, vendor management and relations, administers and manages some corporate contracts on behalf of the City and provides contract maintenance services in hosting a central depository for insurance certificates, WSIB, as well as other necessary documentation for all contracts procured through the Division. The Division currently provides all of these procurement related services for the entire City of Hamilton as well as for Hamilton Police Services, Hamilton Public Library and CityHousing Hamilton (currently under a Service Level Agreement). In alliance with Corporate and Council’s priorities, the Division is also working towards expanding its role of procurement as it relates to broader interests, such as community benefits, social procurement and green or circular procurement.

<b>COUNCIL PRIORITY</b>	Sustainable Economic & Ecological Development	Outcome: Protect green space and waterways		
Measure of Success: Increased inventory of municipally owned natural areas and preservation of farmland, greenspace, woodlots and watersheds				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>The Planning and Economic Development Department will require one new FTE position to ensure successful implementation and reporting on the departmental actions outlined in Appendix "C" to Report PED21065(d) /PW24040, and coordination of other natural heritage related special projects. Consideration of this position will be included in the 2025 budget process. Staff from the Planning and Economic Development Department in the Planning Division will assist on an interim basis in facilitating the development of the Biodiversity Action Plan governance model and other administrative and communications related duties related to implementation of the plan until a permanent, FTE position is considered through the 2025 budget process. These temporary duties are meant to bridge the gap between approval of the Biodiversity Action Plan and the creation of the long-term governance model. As this work is in addition to existing duties, there may be a delay in delivery of other projects</p>

<b>COUNCIL PRIORITY</b>	Safe and Thriving Neighbourhoods	Outcome: Increase the supply of affordable and supportive housing and reduce chronic homelessness		
Measure of Success: Reduce the number of individuals who are actively homeless by 30%				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>On April 7, 2022, the Emergency and Community Services Committee approved a motion directing staff to establish a formal process for receiving complaints, concerns, and questions regarding services in Hamilton's emergency shelter system. Following this, staff presented report HSC23053, which recommended hiring a full-time equivalent (FTE) to support this initiative, and Council approved it. However, this item was overlooked during the 2024 budget process. Currently, complaints are managed by select staff, but having a dedicated resource would improve follow-up and facilitate process enhancements.</p>

<b>COUNCIL PRIORITY</b>	<b>Safe and Thriving Neighbourhoods</b>	<b>Outcome: Provide vibrant parks, recreation and public space</b>		
<b>Measure of Success: Increased access to the Waterfront, recreational and seniors facilities and services</b>				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>As a result of previous Council direction, in 2022, 2023, and 2024 an increase of 8% to the overall City Enrichment Fund (CEF) is being proposed for the 2025 budget in an effort to meet the community need and requested demand with an overall City Enrichment Fund budget of \$7,700,522. The CEF 8% increase for Council consideration for the years 2024 to 2028 are being proposed with a goal to reach a total amount of \$9,661,430 by 2028. In previous years, the total of eligible applicant requests often far surpasses the allocated approved budget for the CEF on an annual basis. For example, in 2024, CEF received the highest number of applications (427) and total request of \$13,122,750.</p>

<b>COUNCIL PRIORITY</b>	Safe and Thriving Neighbourhoods	Outcome: Provide vibrant parks, recreation and public space		
Measure of Success: Increased access to the Waterfront, recreational and seniors facilities and services				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>Following a successful two-year pilot program, the CEF Digital program was approved as a permanent component of the fund. A significant growth in community interest was recorded from year 1 to year 2 with a 160% increase in applications and a total request of \$174,850. As the need for digital access continues to rise the requested \$100,000 is to adequately resource the Digital program without drawing from the already stretched CEF funding envelope. The CEF Digital program supports Council's priorities and the Economic Development Action Plan 2021-2025, by investing in projects that bridge the digital divide relating to infrastructure, equipment, access, equity, inclusion and ability.</p>

<p>A request for 1.0 FTE for the role of Resident Assessment Instrument (RAI) Coordinator to support the 270 residents at Macassa Lodge and the additional 20 net new beds that will be onboarded at Macassa in 2026. This role is critical in enhancing the accuracy and effectiveness of the Minimum Data Set (MDS) submissions of resident complexity and acuity, which ultimately impacts Case Mix Index funding received from the province. This critical documentation is directly correlated to the amount of nursing and personal care envelope funding received by the ministry. Once the CMI is more accurate the City's overall funding will be higher. Under resourced compared to other LTC homes, a second RAI Coordinator is paramount to effectively manage the oversight and submission of accurate and timely MDS. Their role ensures accuracy, compliance, quality of care, and improves financial sustainability for our Home.</p>

<b>COUNCIL PRIORITY</b>	Safe and Thriving Neighbourhoods	Outcome: Provide vibrant parks, recreation and public space		
Measure of Success: Increased access to the Waterfront, recreational and seniors facilities and services				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>Camp Kidaca is a full-day child care alternative for preschool and school aged children. The program is an affordable option for families with subsidized access through the Rec Assistance Program as well as identified as an eligible program for Child Care Subsidy. The program employs temporary full time seasonal summer students for program delivery. Students are onboarded mid-June to begin training and released from hire in the fall to return to school. Program runs for 8-9 weeks over the course of the summer. This popular summer camp program operates at full capacity annually with significant waitlists for all weeks and locations. The program is High Five and Ontario Camping Association accredited and a staple in the Hamilton community for families seeking child care alternatives and support. The program is a significant youth employer within the City of Hamilton. This expansion will accommodate 104 camp spots weekly and 832 campers for the summer.</p>

<b>COUNCIL PRIORITY</b>	<b>Safe and Thriving Neighbourhoods</b>	<b>Outcome: Make sure people can safely and efficiently move around by foot, bike, transit or car</b>		
<b>Measure of Success: Maintained roads and sidewalks</b>				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>This request is for an additional PM in Roadway Maintenance to support the expansion of the road resurfacing program and the development of a new escarpment access maintenance program. Currently, 6 PMs manage various construction, maintenance, and winter programs. This PM will focus on the growth and creation of asphalt and escarpment programs. Over the past few years, program budgets have significantly expanded without a corresponding increase in technical support staff. Aligning staff resources with infrastructure growth is essential for maintaining program effectiveness and meeting Council Priorities. Creating 1 additional PM is crucial for delivering quality service in current and expanded capital programs. Roadway Maintenance currently lacks dedicated resources to support the expansion of key programs like the asphalt resurfacing program (growing from a \$3.0M to \$8.0M budget), and the development of a new escarpment maintenance program.</p>

<b>Measure of Success: Application of Vision Zero principals to eliminate road injuries and death</b>				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>Transportation delivers annual capital construction projects where they manage the planning, design, construction and operation of the transportation network. With the growth of the capital infrastructure programs, a Construction admin is an important task as it ensures that infrastructure is being constructed to meet City standards and requirements. This new FTE request will support contract inspection services to support expanded capital reconstruction projects within the Transportation Division. There currently are limited resources to inspect capital construction to ensure that infrastructure meets City standards and contractual requirements. The lack of resources as it pertains to contract inspections poses a City infrastructure risk.</p>

<b>COUNCIL PRIORITY</b>	<b>Responsiveness and Transparency</b>	<b>Outcome: Prioritize customer service and proactive communication</b>		
<b>Measure of Success: Established City-wide customer service strategy that improves response times, accessibility and public satisfaction</b>				
<b>BACKGROUND And PLANNED INITIATIVE</b>				
<p>Adding a dedicated 1.0 FTE RTW specialist in LTC Division will directly address critical issues such as WSIB claims, absenteeism, &amp; the need for temporary staffing, which all undermine our ability to provide consistent high-quality care to our residents. With the aging population of residents &amp; the physical demands of caregiving, our staff are at risk for musculoskeletal injuries, stress-related conditions, &amp; other health related issues. The current model is lacking a LTC targeted strategy that leads to longer prolonged disability claims, higher absenteeism, and an increase reliance on OT &amp; agency staff to fill gaps, which are costly. We have an aging work force and a dedicated RTW specialist can decrease length of leave absences and enable closer partnership with Occupational Health &amp; Safety to prevent injuries in the workplace &amp; to minimize WSIB claims. Divisions with similar scheduling/staffing, WSIB claims &amp; increase sick absenteeism such as Fire/EMS, have these dedicated roles.</p>
