Dear Mr/Ms Clerk

Please add my opposition to the Minister's Zoning Order (MZO) submitted by the Upper Wise Side Land Group to expand Hamilton's border.

Such a move would contravene the previous decision NOT to expand the city's borders to allow developers to destroy prime and productive farmland.

At the rate developers are seeking to gobble up farmland, the next generation will not have enough good local food and nor recreational areas.

Thank you.

Daphne Payne
