Dear Councillors Esther Pauls and Matt Francis,

Regarding your motions to cut funding to the Climate Office - NO WAY.

We declared a climate emergency six years ago and are only now getting started with putting it into action. As a taxpayer in Hamilton I fully support the work of Dr. Lukasik and her team and would like to see more funding for that office to expand programs.

Maybe you could focus on cutting taxes by converting parking lots to housing, or taking another look at the Police budget?

Sincerely,
E. Knight
