Re: File ZAC-24-033

Dear Coordinator

I have read the submission made by my neighbor at 520 Stone Church Road East and I whole heartedly concur. I would add the following with respect to traffic and the dangers. Whenever there is an incident on the "Linc" vehicles will use Stone Church Road as an alternative route. I have seen times when it was extremely busy and it took a very long time getting out of my driveway.

There would be an influx of children and in my view that would become extremely dangerous Respectfully submitted
