Councillor,

I am sure you've received many emails like this detailing why you should vote No to the MZO. I won't bombard you with all of those reasons in this email.

I just want to add my voice to the call to remind you to hold firm to Hamilton's urban boundary. The public has spoken many times: we do not want the provincial government meddling in our affairs. We've made it overwhelmingly clear that we need density, within our existing boundary, not further sprawl. I trust you'll vote No to the MZO
