Regarding: April 9 GIC meeting in support of Hamilton Bike Share. I am voicing my keen support in keeping and improving the Hamilton Bike Share program. It positively impacts thousands of McMaster University students who use the bike-share system daily to connect, exercise, and commute safely. The bike share program is a key transportation infrastructure in our city. Please understand that it is important to the community, and its impacts on health outcomes and environmental sustainability should not be discounted.

Will you be requesting funds from the City?
