Subject: Rosewood Estates development application 29 Apr. 2025 meeting (agenda item 8.1)

Dear Hamilton Planning Committee,

I am dismayed to hear from "Save our Streams Hamilton" about the plan to cut down 632 mature trees to build 17 estate homes on oversized lots. On the assumption I've understood correctly, I ask you to vote against the Rosewood Estates proposal.

I further ask you to vote to direct staff to update the Secondary Plan and zoning for this area in order to proactively protect several remaining unprotected sections of this woodlot and the wetland west of Tollgate Drive from further development.

Please add my message to agenda item 8.1 for the 29 April 2025 meeting.

Thank you,
Jean Wilson
