Subject: TiCat Tailgating

Hello, I am corresponding to voice my absolute displeasure and opposition to banning tailgating before TiCat Games. This serves no purpose.

As a tax paying Hamiltonian I would like my voice heard. The tailgate is peaceful, brings people to our city, creates a fun and inclusive environment, is respectful and clean. There is no reason to ban this time-honoured tradition besides creating anger and a negative impact to the enjoyment of the CFL game in Hamilton.

Regards,
