Subject: No Urban Boundary Expansion

To Whom This May Concern,

I am sending you this letter in support of Environment Hamilton's request that there be No Urban Boundary Expansion. In light of the Climate Crises we are all experiencing, we all need to maintain as much of our green spaces and farmland as possible. As someone who lives in Hamilton I very much would like to see this happening in and around my own home. This letter is in reference to the GRIDS2/MCR plan.

Thank you in advance for considering my request.
