**Subject:** Make Hamilton the Best Place to Raise a Child - Abolish Hamilton Police!

Dear Mayor Eisenberger and Members of Council,

Please listen to the voices of the millions of people across Canada and The USA demanding the defunding and abolition of police. Cities across the world are now realising that trying to prevent crime with aggressive force is not the answer. Paying over \$170 million for police services is not a constructive way to spend our taxes. We do not deserve to live in a police state where they take up the largest portion of our resources. Those suffering from homelessness do not need to be harassed and arrested, they need affordable housing. Those with drug addictions do not need to be imprisoned, they need counseling. Even if we looked at this problem through a completely capitalistic lens, it makes much more sense to rehabilitate these citizens and turn them into productive citizens, rather than pay more than \$60K annually to put them in provincial prison, or over \$130K annually for federal prison. We need to invest in education, affordable housing, and ESPECIALLY health care as the effects of COVID-19 will clearly last for years.

Police are not equipped to handle these complex issues, a high school diploma, 24 weeks at the police academy, and a gun are not enough to support our community. They are only holding us back, and will use their political power to hold us hostage. They see the public as their enemy, an enemy that must be controlled. They do not see us as fellow members of the community, who sometimes need help and guidance to get back on our feet. They were never the solution and it is time we realised that.

You have the power to make Hamilton a leader in community investment. Defund the police, they do not deserve to be our largest expenditure. Social workers, therapists, and community-driven action will be much more effective, and a more efficient use of our dollars. Below I have also included the demands from Black Lives Matter Hamilton leaders, as this is not only an economic issue but more importantly an issue of white supremacy. The police force are not our friends, they are not our community leaders, they are not here to protect us. They are here to protect themselves and their own selfish interests. Their culture has become corrupt, toxic, and needs to be completely dismantled. It is time for the people to take their community back!

Last week, black organizers released the following demands in light of police brutality happening in Canada and in the United States:

A 2018 carding consultation in Hamilton highlighted that Black youth in Hamilton are being carded at their schools, in the streets, and being kicked out of Hamilton libraries without just cause by Hamilton police and security services.

Even during the ongoing COVID-19 pandemic, police have continued to unjustly target people for

existing in the streets. Police have issued expensive fines (upwards of \$800) to houseless people, many of whom cannot afford to pay them off. These tickets have been issued under the guise of enforcing social distancing, but have only served to further entrench people in poverty and target those who cannot access housing.

The violent act of state and municipal oppression must end. It is time for the institutions that have oversight of the police and residents to ask why we spend \$171 million on policing but only \$158 million on social services. The breakdown of the social services budget is \$81 million on Transit, \$25 million on Healthy and Safe communities, and \$52 million on boards and agencies.

The Hamilton Police (on a city approved budget) will spend \$78,806 on ammunition, \$95,000 on surveillance and \$61,409 on tasers in 2020 but only \$28,000 on food for prisoners.

**We are spending \$171 million on a police service that terrorizes and murders Black and Indigenous people in our streets, schools, places of education, and homes. This is unacceptable.**

#### **Demands:**

- We call on the city of Hamilton to defund the Hamilton police.
- We call on the city of Hamilton to invest the tax dollars that would have otherwise gone to the police towards initiatives fighting against food insecurity, racism and towards more affordable housing.
- We call on the City of Hamilton to ensure that HPS are not ticketing houseless people for existing in public.
- We demand that the Hamilton Police Services halt all purchases with tax dollars of weapons (guns, rifles, etc).
- We demand that the Hamilton Police Services cease the ticketing and surveilling of homeless and disabled people in Hamilton, and that there be a moratorium on the hiring of police constables in Hamilton given the documented over-surveilling of homeless people during the pandemic.
- We demand that the Hamilton Police Services stop surveilling communities, and that they halt the expenditure of tax dollars on high tech surveillance equipment.
- We demand that the Hamilton Police Services stop targeting and criminalizing activists and communities pushing back against Yellow Vesters and other forms of white supremacy.
- We call on McMaster University (President & Board of Governors) to immediately terminate Glenn De Caire's contract. De Caire was forced to resign from Hamilton police after he was caught saying incredibly racist things to other police officers. De Caire also has a history of violent policing that targets houseless people as well as Black people.
- In line with the demands of the Hamilton Wentworth District School Board Kids Need Help Coalition, we demand that the HWDSB immediately remove School Resource Officers (SROs) out of all schools and fully fund a public review of police violence that occurred in their schools.
- We demand that the school board refrain from calling the cops on kids.

- We demand that the school board collect and release data that documents the disciplinary action against students by race and gender.
- We demand that the school board implement a community run alternative to disciplinary action based on the principles of restorative justice.
- We demand that the provincial police act be rewritten to give municipalities full control over police boards. Currently, in Hamilton, the Hamilton Police Services operates as an autonomous body, giving municipalities little to no oversight in terms of what they invest in and the ways that they militarize themselves.
- We demand that the province of Ontario work with grassroots groups to divest taxpayer money across the Province (Hamilton - \$171M, Ottawa - \$319M, Waterloo - \$182M, Halton Region - \$162M, London \$123M, Niagara - \$154M, Sudbury - \$63M) from policing and invest it towards community initiatives with the goal of moving completely toward transformative justice practices.
- We demand that the Special Investigations Unit, which has a provincial mandate, needs to be 100% composed of people living in the city with which the investigation is being conducted.
- We demand that the Special Investigations Unit needs to be composed completely of Black, racialized and Indigenous peoples with no current or former ties to the policing sector.
- The SIU must begin collecting and publicly releasing race-based statistics on all fatalistic encounters between police officers and civilians. No more inquiries-- direct action needs to be taken as a result of the investigation into anti-Black racism that occurred in the 90's and again in 2014 with the establishment and subsequent defunding of the Anti-Racism Directorate.
- In light of COVID-19, We demand that all prisoners being held and who are awaiting trial at the Barton Jail facility be released immediately, and that the outrageous costs of ankle monitors and other means of surveilling those who are released be waived.

*Kindest Regards (Bien Cordialement),
