Subject: defund the police

(please note this is being re-sent to include a cc to the city clerk)

Hello Councillor Wilson and Mayor Eisenberger,

My name is Scott Neigh and I live in Hamilton's Ward 1. Last week, Black organizers in Hamilton released the demands listed below, in light of police brutality happening in Canada and in the United States.

Already, the city of Minneapolis has declared its intention to disband their police department, the city of Los Angeles is cutting \$100 million from their police budget, Councillor Josh Matlow has called for a 10% reduction in the budget of the Toronto Police Service, and other cities across the continent are taking similar action in response to the growing demand to defund the police.

These issues are no less present in Hamilton than anywhere else across North America. A 2018 carding consultation in Hamilton highlighted that Black youth in Hamilton are being carded at their schools, in the streets, and being kicked out of Hamilton libraries without just cause by Hamilton police and security services. Even during the ongoing COVID-19 pandemic, police have continued to unjustly target people for existing in the streets. Police have issued expensive fines (upwards of \$800) to houseless people, many of whom cannot afford to pay them off. These tickets have been issued under the guise of enforcing social distancing, but have only served to further entrench people in poverty and target those who cannot access housing.

We need to change how we think about what it means to keep our communities safe. So many voices, particularly Black and Indigenous voices, are saying very clearly right now that policing does not make communities safe, and it is essential that the rest of us start listening. The safest communities, in fact, are not those with the most police but those with the most resources. It is time for us to ask why this city spends \$171 million on policing but only \$158 million on social services. And to begin shifting money from the former to the latter.

It is time, moreover, for the City of Hamilton to start listening to the demands coming from both this continent-wide movement and local Black organizers. And it is time that the city to act on the relevant demands on the list below.

Demands:

- We call on the city of Hamilton to defund the Hamilton police.
- We call on the city of Hamilton to invest the tax dollars that would have otherwise gone to the police towards initiatives fighting against food insecurity, racism and towards more affordable housing.

- We call on the City of Hamilton to ensure that HPS are not ticketing houseless people for existing in public.
- We demand that the Hamilton Police Services halt all purchases with tax dollars of weapons (guns, rifles, etc).
- We demand that the Hamilton Police Services cease the ticketing and surveilling of homeless and disabled people in Hamilton, and that there be a moratorium on the hiring of police constables in Hamilton given the documented over-surveilling of homeless people during the pandemic.
- We demand that the Hamilton Police Services stop surveilling communities, and that they halt the expenditure of tax dollars on high tech surveillance equipment.
- We demand that the Hamilton Police Services stop targeting and criminalizing activists and communities pushing back against Yellow Vesters and other forms of white supremacy.
- We call on McMaster University (President & Board of Governors) to immediately terminate Glenn De Caire's contract. De Caire was forced to resign from Hamilton police after he was caught saying incredibly racist things to other police officers. De Caire also has a history of violent policing that targets houseless people as well as Black people.
- In line with the demands of the Hamilton Wentworth District School Board Kids Need Help Coalition, we demand that the HWDSB immediately remove School Resource Officers (SROs) out of all schools and fully fund a public review of police violence that occurred in their schools.
- We demand that the school board refrain from calling the cops on kids.
- We demand that the school board collect and release data that documents the disciplinary action against students by race and gender.
- We demand that the school board implement a community run alternative to disciplinary action based on the principles of restorative justice.
- We demand that the provincial police act be rewritten to give municipalities full control over police boards. Currently, in Hamilton, the Hamilton Police Services operates as an autonomous body, giving municipalities little to no oversight in terms of what they invest in and the ways that they militarize themselves.
- We demand that the province of Ontario work with grassroots groups to divest taxpayer money across the Province (Hamilton - \$171M, Ottawa - \$319M, Waterloo - \$182M, Halton Region - \$162M, London \$123M, Niagara - \$154M, Sudbury - \$63M) from policing and invest it towards community initiatives with the goal of moving completely toward transformative justice practices.
- We demand that the Special Investigations Unit, which has a provincial mandate, needs to be 100% composed of people living in the city with which the investigation is being conducted.
- We demand that the Special Investigations Unit needs to be composed completely of Black, racialized and Indigenous peoples with no current or former ties to the policing sector.
- The SIU must begin collecting and publicly releasing race-based statistics on all fatalistic encounters between police officers and civilians. No more inquiries-- direct action needs to be taken as a result of the investigation into anti-Black racism that occurred in the 90's and again in 2014 with the establishment and subsequent defunding of the Anti-Racism Directorate.
- In light of COVID-19, We demand that all prisoners being held and who are awaiting trial at the Barton Jail facility be released immediately, and that the outrageous costs of ankle monitors and other means of surveilling those who are released be waived.

Sincerely,

Scott Neigh
