Dear Clerk's Office,

I am writing to document the Centre Francophone de Hamilton's full support for the Mohawk Sports Park project.

The fact of the matter is, this project is necessary because the current recreation facilities in Hamilton do not currently offer a permanent bilingual infrastructure and permanent dedicated space for francophone programming. The renovation and re-innovation of the Mohawk Sports Park bridges this gap which is crucial for the integration of the Francophone community in Hamilton.

Thank you very much for your engagement and attention to this issue.

Kindly,

Anika Kuhnert

President of the Board, Centre Francophone de Hamilton
